

I am delighted to write a letter of reference for Siyabonga Nkosi following their completion of the EntryLevel Data Analyst SQL Program.

Siyabonga has completed the 6-week program and submitted an exemplary portfolio, demonstrating skills in SQL and Tableau in their report. Siyabonga also display critical thinking skills by conducting an analysis of the data and proposing recommendations on the case study.

EntryLevel also awards badges to signify exceptional performance and Siyabonga was awarded the following badges:

The "On Time" badge, for their ability to consistently deliver work on time and staying up to date with the program schedule.

The "Team Player" badge, for completing the program alongside a peer group, demonstrating the willingness to learn and solve problems collaboratively.

Best Regards,

*The EntryLevel Team*
